

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The media in the U.S. is no longer representative of a democracy, it is as bad as Pravda in the USSR. How can this be? Corporate control of the media, and the military/industrial/pharmaceutical complex warned about by Eisenhower. The nepotism of the bush crime family and the the Colin Powell (military) and his son (FCC) is criminal as well and should be stopped immediately!
